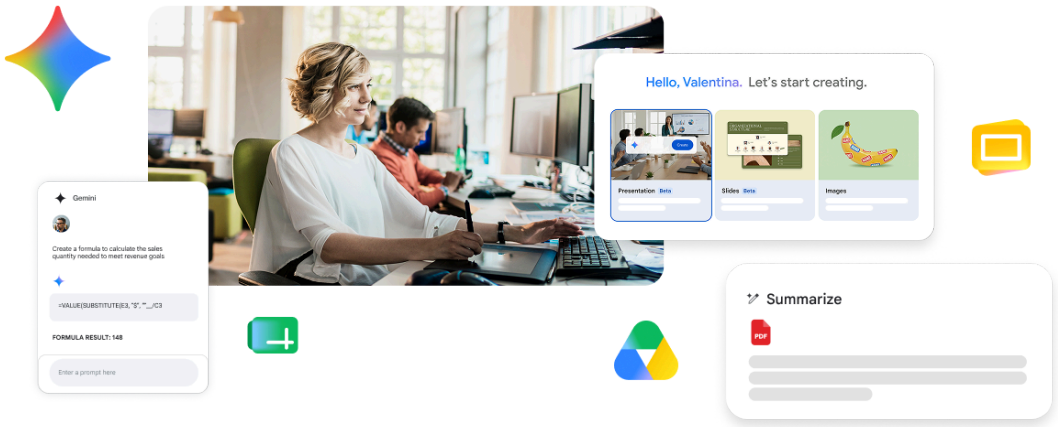
Google Workspace

You've been selected to try new AI features

For a limited time, your account is eligible to try AI features typically reserved for paid accounts*.

Try them today to help save time and boost creativity.



Nano Banana Pro in Slides

Create stunning slides that can include images and infographics. You can also try "Beautify this slide" to generate thoughtfully designed visualizations based on the content of an existing slide.

Try AI in Slides

Gemini in Sheets

Get to insights faster. Ask Gemini in Sheets to help you summarize data, create tables and formulas, and automate data entry.

Try AI in Sheets

Ask Gemini in Drive

Get synthesized information on a topic, with relevant information pulled from multiple files without the need to find and read them.

Try AI in Drive

* Features available for a limited time. Usage limits apply. For the most comprehensive AI experience, consider **purchasing an AI subscription**.
